Thanks Mary-Sue.

I think we are okay for now. I'll let you know if we need anything else.

Brian and Alice,

Attached is the info that was pulled together for the previous Congressional inquiry. It will be the same.

Subject: CONFIDENTIAL & DELIBERATIVE Request for information on ORD support for Pavillion WY -- GWERD response

Alex,

Attached is the completed worksheet as requested by HQ (Lan Alexis, Chris Saint).

Below are the comments for each line (I have also made comments out to the side of each in the worksheet)

1. ORD – FTE (0.708), this is based on FTE charged to site specific travel (code 08QVQB00), the extramural resources includes site specific travel
2. ORD – 1.85 FTE, this is an estimate of the % FTE charged to C3 FAN in support of Pavillion (McNeil-0.05, Paul – 0.10, Jewett – 0.35, Digiulio – 0.75, Wilkin – 0.35, Costantino-0.05, Callaway -0.05, Hargrove-0.05, Foster-0.10)
3. OSP –0.148 FTE based on hours charged to site specific travel for Briskin, Dehaven, and Moore
4. Region 8 – 0.034 FTE based on Greg Oberly – he is detailed to ORD, should I include in ORD

Please note the amount for Extramural Resources listed in the worksheet under ORD (1st line) is for GWERD only. I am not aware of other allocations outside of GWERD.

Please let me know if you have any other questions.

Thanks,

Mary Sue
